HONGKONG DISPENSARY.

Hondrong, MAY 23rd, 1877.

in the currency, it has been remarkedits rather shallow argument, and amounts marvellous feet, whichevery allowance for the natural

sonce of some of those qualities by which many of the best of them are distinguished, and which have tended to make Britain what she is to-day.

The quiet equanimity and undisturbed self possession of many of the older hands is not This Comprehensive Work, now in the always the result of growth in grace, but arises from a clearer understanding of the grave difficulties by which foreign intercourse what painful appreciation of the very limited the reason he was under arrest, the witness extent of individual influence in combating with the mass of ignorance, superstition, and doubled up, with the book in the belt and his prejudice by which foreigners are surrounded. Hongkong, however, is happily no part of China, and every one of the many steps in China boy he had brought as a witness saw all advance which have been accomplished in its moral, social, and material condition tend to make it less and less like the country to which it lies contiguous. No city or town, under native control, of this vast Empire has roads, streets, buildings, water, gas, or police, to the child, which was floating towards the pier. compare with ours. Our administration of The mother of the child came rushing frantijustice, and our educational, medical, and prevent her from jumping into the water he did Malay. penal establishments are well calculated to not see what the boatmon whom he had ordered be patterns for Chinese imitation. They are copying with avidity our military and naval was asked if he had any questions to ask, and organization and design, and shortly, as intercourse increases, they will emulate us in other far more essential matters. Why not, then, the child was his own be would have used his default 14 days' hard labour, for rushing with for our own advantage as well as theirs, set before them a currency, used in ace Colony, the Recreation Club, who told Mr. Wilson of the which they may fairly copy?

It is very much to be deprecated that this question should become in any way a party in the water by the other two Chinese witnesses. bank have been actuated by the best of verdiet of death from matural causes. motives in the course upon which they have entered. The Hongkong and Shanghai Banking Corporation has exceptional means of comprehending the difficulties which beset

even at considerable cost, to provide a way of escape will be appreciated by the public. Whilst, however, five banks feel themselves obliged, for the protection of the interests confided to them, to make a stand on principle against defacement of the currency, and practically to employ their influence for its discouragement, we fail to see why the burden and loss of meeting thedemands of the Canton said the material was inferior and refused Cotton Guild and Hongkong opium merchants, that a defaced coin be taken as good as a clean Lordsbip's suggestion, to accept \$12, and judgone, should be borne by our local bank. Whether we regard its submission to this demand as affording exceptional banking The larger Directory contains the different facilities, or as competition for deposits, it is Treaties and Conventions made by China and alike to be regretted. In either case the lessons of the past, by which the bank has made her statement, judgment was given for in many ways so largely profited, may be sufficient. The loss to the bank, as stated, may be only some \$10,000 per annun. This is a mere bagatelle compared with the results of other bullion operations in which the bank is known to have been most successful; at the same time it seems hard that should be called upon to relinquish any one difference of \$1 between plaintiff and defendant branch of a business which is considered the specialty of a bank. We do not think that the gulf between Hongkong importers and Canton buyers needs to be closed by any such Curtius like and stoical devotion.

The very determination of the Canton Cotton Guild, as represented by the cotton brokers here, to enforce the acceptance of not be thought of in-England for a moment, money or rice, as my be more convenient to the defaced silver coin, seems to imply some apprehended difficulty with it. The greater the difficulty and dislike of this medium of 85; or, with the Lists of Residents, Port Direc. payment, the larger the discount, and consequently the greater the profit of those who duly paid, and that she could not think of paydeal in the bullion. If an average of only ing her twice, as it would not be justice. one dollar per head be allowed for the population of China it will amount to something like 10,000 tons. Who knows how large a portion of this may find its Amov Messrs. Wilson, Nicholls & Co. way here? As bullion it is welcome, and FORMOSA...... Mesars. Wilson, Nicholfs & Co. | will enrich us all. As money it will tond to demoralise and injure us. If it is forced into currency, as coin, then every payment is attended with suspicion and distrust, every house must have a shroff, every man Exerce and Messre. Hall & Holtz and Kelly woman, and child who works for wages must be on the qui vive to avoid being cheated, and the poorer and more defenceless will be the most oppressed. If it is recognised as bullion only, its place is in the treasuries of the foreign and native banks, and its function to adjust as remittances the balance of trade

The Legislative Council will meet to day a

between India, China, and Hongkong.

We are requested by Mr. Douglas Cooper to state in connection with a charge brought against him in the Police Court on the 5th De-1 cember last, and which was then remanded for a week, that the charge was subsequently withdrawn, and he was discharged from custody.

The P. & O. steamship Malacca, as she was leaving port yesterday morning for Yokohama, was hailed by H.M.S. Victor Emanuel by the firing of five guns for the purpose of putting on board the latest despatches. A steam launch was ut once sent with them and overtook her outside the Ly-ec-moon Pass,
